

FortiCare and FortiGuard Renewal

Thank you for renewing your FortiCare / FortiGuard services. Fortinet's high performance Unified Threat Protection ("UTP") appliances combined with FortiGuard and FortiCare services provide you with complete content protection against constantly evolving network security threats.

Your subscription renewal has been automatically activated. There is nothing more you need to do to take advantage of the benefits of these services. Attached are the details of your renewal for your reference.

If you are new to Fortinet or would like a refresher introduction, please visit us at <https://www.fortinet.com/welcome>. The new welcome page has links to technical documentation, free training resources, knowledge base articles through our community portal, open a support case, FortiGuard Outbreak Alerts, PSIRT advisories, FortiGuard Labs Threat Research, and other resources

If you have questions about your renewal or about your FortiCare user account, contact cs@fortinet.com

If you would like to discuss current or future network security needs, please contact your authorized Fortinet reseller or a local Fortinet sales office. You will find address and contact information at <http://www.fortinet.com/aboutus/locations.html> .

Again, thank you for your subscription renewal. We sincerely appreciate your business and are looking forward to working with you over the coming years.

Sincerely,
Fortinet Services

Fortinet Replacement Unit Agreement

The Distributor RMA program was created to provide a rapid RMA solution in Indonesia. This program provides your company the best, fastest, and most reliable way for customers to exchange units using the RMA (Return Merchandise Authorization).

Service Level Agreement

- For first layer of support, Customer can contact their Fortinet Reseller.
- Fortinet Reseller will check the unit to confirm if the hardware is failure, if there is hardware failure the reseller will advise you
- This program is require Approval by TAC Fortinet (RMA's Ticket).
- This program is not valid for software/firmware error or upgrade.
- This program is not for any change configuration, only backup and resotre
- This program is cover 8x5 for support by phone/email/remote, and Next Business Day for backup or replacement unit (DRMA).

Hardware Warranty

- This RMA Program is only valid when you have purchased FortiCare. If a product is out-of-warranty, Fortinet requires that the customer purchases a FortiCare support contract before processing the RMA request
- This RMA Support validity will be refer to Forticare support validity
- The Distributor may be authorized to provide hardware troubleshooting in some circumstances
